Special tiling trowels

Product reference

5873-20 BIM

V notched trowel with bi-material handle 20 mm / 587320BIM

Brand

Bellota

EAN code

8414299015720

Use

Prepare the surfaces for tiling. Spread and smooth tile adhesive and spread it evenly before laying the tiles.

Bullet points

Will last a long time without wearing. Blade manufactured in special Bellota steel.

Perfect finish. Varnished blade, extraordinarily flexible and flat.

Ergonomic, bi-material, lightweight handle, smooth to the touch, so you can spread cement-based adhesive comfortably.

Description

Professional U notched trowel with high quality flexible steel blade, maximum durability without deterioration. Perfectly flat blade to guarantee the perfect finish, varnished to prevent rust and perfectly fitted. Ergonomic bi-material handle, very lightweight, temperature resistant and non-slip. For tiling and flooring work.
